

With the beautiful weather we have been having, we are all preparing for this year's planting season. One easy step in ensuring a successful season is to refresh your monitor operating skills.

We are having classes for Gen 1&2/Gen 3 monitors.

The Classes will be on March 25th
Gen 3 - 9 A.M. till noon. Lunch to follow
Gen 1/Gen 2 - 1P.M. till 4 P.M. Lunch @ noon

Items Required

Gen 3: DBM, Screen, Ethernet Cord, Gen 3 Power Supply
Gen 1/Gen 2: 20/20 Monitor, Power Supply

RSVP chuck@wolffarmsprecision.com or 815/977-0968
